Where: Oklahoma Capital - On the front steps of Capital

Tracy Pierce lost his life on January 18, 2006, at the age of 37 after a courageous 16-month battle with kidney cancer. Tracy had health insurance through his wife's employer who continually denied the lifesaving treatments ordered by his physician. He was a journeyman carpenter with Local #61 in Kansas City, MO. Tracy was the proud father of a 15 year old boy, a brother, a son, a friend to many and the husband of Julie Pierce. Tracy's story is featured in Michael Moore's movie "SICKO." Join us in remembering Tracy.

In Oklahoma City, a solidarity vigil is planned for 7 p.m. on Friday, Sept. 28, at the capital's front steps on Lincoln. Speaking to the Oklahoma City crowd is Reggie Cervantes, a Ground Zero hero who is sick from the exposure to toxins during the rescue efforts.
